

## Blister Packed Enhanced Pigtails

### Description

We now can offer you a more convenient and cost effective way to purchase enhanced pigtailed. You get the usual high quality pigtailed but now with a reduction in the amount of packaging and paperwork, saving costly engineers time unpacking on-site.

### Features and Benefits

- Blister packed pigtailed include FC, LC, SC & ST variations
- IEC and DIN color codes available (IEC as Standard)
- Blister pack offers superior transport protection
- Easy strip 900  $\mu\text{m}$  buffer as standard - Tight bufer available on request
- Convenient space saving shipping & storage
- Environmentally friendly, generating less waste from packaging and certification

### Specifications
